Mary,

We are pleased to announce that you will be filing your April quarterly report with over \$1,000,000.00 cash-on-hand.

This total represents over \$300,000.00 total raised in this quarter alone, and over \$1.3 million raised in this election cycle.

With more than \$700,000.00 raised from individuals, and 8 months to go in this election cycle, your strength in fundraising and available cash-on-hand show a strong individual commitment to the campaign.

Great job & congratulations!

As always, let me know if you need anything at all.

Warmest regards,

Emily T. Hoover
