BONO MACK EARNS CONVINCING VICTORY OVER POUGET, HONORED TO ONCE AGAIN REPRESENT CA-45

Indian Wells, CA - Upon receiving the election results of the highly anticipated and nationally watched congressional race between Congresswoman Mary Bono Mack (CA-45) and the failed Mayor of Palm Springs, Steve Pougnet, in which Bono Mack secured a convincing victory over her well-funded, liberal candidate, Congresswoman Mary Bono Mack released the following statements:

"It is an honor to once again earn the confidence and support of such an overwhelming number of voters in California's 45th Congressional District.

"It is clear that the American people have rejected the tax and spend policies of the Obama Administration and the liberal Leadership in Congress and are looking to the Republican Party for real change.

"On behalf of California's 45th Congressional District, I will fight tirelessly in Congress to rebuild our Nation's economy and revive the American dream for future generations."

With a majority of precincts reporting, Congresswoman Mary Bono Mack soundly defeated Steve Pougnet, 52% to 41%.
